Imagine waking to the morning chorus of birdsong, rolling out of bed and into your running gear, and stepping out into first light. Mist rolls over the lake as you join the track from the end of your street. 5kms through native bushland later, you're home, showered, fed, and off to work. No rush though, it's only 10 minutes away in 'peak hour'. What a way to start the day! North Quarter offers unrivalled access to national and international quality sports and recreation facilities. Lake Narracan boasts nearly 300ha of water surface. Ideal for power boating, waterskiing, jet skiing, sail boarding and sailing. For those who'd rather stay on dry land, it is also a great place for fishing, picnics and walking. We're proudly part of the ABN Group, Australia's leading construction, property and finance company, and owned by partners Aidan Hooper and Dale Alcock. The ABN Group was established in 1978. Since then, with a family of 22 companies across Victoria and Western Australia, we're still true to our philosophy of building every home as if it's our own. We've built more than 88,000 homes and we've steadfastly maintained our attention to quality. So, although you may be building your first home, we have built many. And with every home we build, we only get better. The Lismore has been designed in order to fully maximize the amount of natural light shining into your home, whilst taking advantage of the large kitchen and open plan living and dining area.
