Located within a waterfront community this unique house is in close proximity to the beach. Entering into this property from the front patio, you walk into a sizable, sun-filled living room where you will be surprised at the openness and the space that this area provides. The carpet is faded and worn in here on the other hand, just imagine what it could look like done in your own taste. The centrally located kitchen has ample bench top space and cupboards with large island bench but an upgrade could be advantageous. A somewhat quirky layout has the entry gained to the laundry from the 2 way bathroom and has the shower over the bath. You have three large bedrooms that will easily accommodate queen size beds with built in robes and ceiling fans. Glass sliding doors from the kitchen and the bedroom grant access to the covered and screen porch at the side of the house, with views to the garden, A great spot to chill out with friends and family. Other notable features include- Security screens- Solar- 2 water tanks- Ceiling fans throughout- Double garage at rear of property- Established trees and gardens This home on an 810m² flat allotment is a short walk from the beach and has been constructed of rendered block. Burrum Heads township is a short five -six minute drive from this home and where you will find boat ramps, fishing, Foodworks, pub and other selective amenities.
