This brick home has been well built. With the red loam soil the home should prove the test of time. With a facelift in recent times ie new floor coverings and new paint throughout, the home plus new split system air conditioners in bedrooms and living area, the home looks as fresh as the day it was built. Fenced back yard which includes a double colourbond shed with power connected and single colourbond shed. Private bore fully operational. Great neighbourhood to live, and just a short walk through walkway to the Christian School. 3 Bedrooms all with built-in wardrobes (master bedroom has walk through robe). 2 bathrooms. Office. The single lock up garage could easily make a 4th bedroom. Kitchen off living area and media room separate. Back patio. Single carport to the front of the home. The property is vacant and awaits the new live-in owner or would suit an investor - on the current rental market the property would rent for \$380 - \$400/wk.
