Welcome to 19 Beck Street, Moe, an affordable and comfortable home where low-maintenance living takes centre stage, without compromising on the room to enjoy either indoors or out. From the welcoming front porch, the spotlight first falls on the well-designed laminate & vinyl wrap kitchen with a gas upright cooker and dish washer, this naturally flows to the north facing living room, kept comfortable in every season, with split system air conditioning. Three bedrooms, all with built in robes and a second split system to the master bedroom, make use of the updated bathroom. A large verandah to the rear of the home provides plenty of shelter for pets or summer dining-as does a covered BBQ area at the rear of the 651 sqm allotment. To add to the list of credits is a 6kw solar system, a 6 x 6 m garage with adjoining double carport to provide plenty of car storage, room to tinker or create a getaway space outside of the home. Convenience shopping, access to public transport and parks are all close by and it's only a short drive to the centre of town and schools. Call to book your inspection today!
