\$669,000

It's time for you to buy in Karratha's sought-after Baynton. This family home is equipped with four large bedrooms, all air-conditioned and tiled underfoot. The floor plan is generous, offering external access to the Master, and a spacious ensuite for added privacy and comfort. Make good use of the storage, with built-in robes, (built-in to the Master Suite) and sizeable hallway closet. The main bathroom and laundry are neat and minimal with modern tiling. The large vanity mirrors add extra light and provide a visually enhanced space. Your new laundry taps into the simple vibes, with a great workspace too. Cook up a storm in your central kitchen, watching over the family across the open plan living and dining area. Meal prep is made enjoyable thanks to the gas cooktop and elongated benchtop. This is a kitchen so well laid out, that everyone can chip in with the cooking! Relax and unwind any day of the week among your new outdoor surroundings. Landscaping provides privacy and shade, whilst the undercover patio presents a comfy space for weekend gatherings with friends. The front of the home offers a double carport and extra hardstand space the boat or trailer perhaps. There's even a handy storeroom off the carport. The neighbourhood is well established, family friendly and you are just a short walk from Baynton West Primary School. And with parks and playgrounds at the end of the street, this pleasant home has real appeal for young families. For convenience, location and modern comfortability, call Wes Green for a walk-through TODAY - 0430 058 175
