One of my favourite classic designs, the Central atrium home! Letting natural light in from all angles! This stunning 4-bedroom, 2-bathroom home is located only metres from the beach and is perfectly tucked away from the road side with privacy gates, great for little ones and pets and also maximising the use of the WHOPPING 811sqm of land. With a modern design and spacious layout, this property is ideal for growing families and those looking for a peaceful retreat. So much to love: + THREE living areas + Front sunroom + Large open lounge room with split system + Dining and kitchen area with cozy fire place + Master bedroom features a renovated ensuite and built in robe + Main bathroom with private water closet + Awesome atrium which is set up as play area for the little ones - also a great space for a spa or tranquil garden + Great outdoor entertaining area + Front court yard for another play or relaxation space + Solar panels and near new heat pump hot water system + Double garage / Powered work shop with ample storage This property has everything you need for comfortable coastal living.
