Does your family need more space? Have you always loved the idea of multiple living areas where each family member could live their best life? This home offers that and so much more. The adventure begins upstairs with a formal entrance offering plenty of storage for coats, shoes, umbrellas and school bags. Located just off this area is the open plan informal dining room and kitchen area. A wonderful formal dining room is offer via glass sliding doors and this area sweeps around into the huge lounge room with glorious views out across the Brighton township. Another glass slider takes you out onto a magnificent balcony, perfect for entertaining and just taking in the expansive views. The master bedroom is located on this upper level and has wall to wall storage. The master bathroom and separate wc are also located on this level. A second bedroom offers plenty of natural light and built in robe. Downstairs is where the real adventure begins! A second kitchen/kitchenette is located toward the front of the home and is alongside a very generous living area. In addition to this space is a second loungeroom with woodheater and external access. Two more bedrooms and a rumpus rooms are also on this ground level with storage under the house. A laundry, wc and shower bay top off this almost endless list of possibilities and options. Within walking distance of shops and services along with the soon be completed Brighton High School. If you've been searching for a home to accommodate all your family's needs, then this one might just be for you.
