The master bedroom is fitted with a walk-in robe and ensuite and the remaining three generously sized bedrooms feature two rooms with built in wardrobes and the third with an additional walk-in robe. The two bathrooms and powder room are covered with bespoke floor to ceiling tiles, designer brushed brass tap ware, cladded feature walls, floating oak vanities and a deep soaker tub. Luxury continues throughout with the open plan living spaces boosting two lounge areas, one that opens onto the alfresco for seamless in door outdoor entertaining and the second a cosy family space with Lopi Gas fireplace and build in TV niche. The dining area creates the perfect place to gather with a built-in cladded bench seat and feature pendant lighting.
