Positioned within a pre-eminent beachside locale only moments from Mornington's Nunns walk, Fossil Beach and the Dava Drive shops, this architectural residence welcomes natural light and luxury style across its low-maintenance single-level design. Hallmarked by its sleek linear elements, quality craftsmanship and spacious living environment the three-bedroom, 2-bathroom design presents perfectly for the professional couple or downsizer. A northern orientation and high ceilings maximise all-day sunshine across free-flowing living and dining space, where generous dimensions expand outside to tiered decking. Custom joinery and stone benchtops conceal a Fisher & Paykel under-bench oven and ANDI gas cooktop in the kitchen, while stone features continue across both bathrooms. Comfortably accommodating with three-bedrooms including the master with walk-in robe and ensuite, the home continues with generous laundry with rear access, a double garage with storage and internal access, split-system air conditioning, 4000lt water storage, and easy-care gardens. Situated only minutes from bus routes while central to both Bentons Square and Main Street, a convenient lifestyle ensures all of Mornington's amenities are found within a short drive from home.
