The RealEstate Co. is happy to present 19 Carvie Street, Hillman! Ideally located closely to attractive parklands, this spacious 3 bedroom 1 bathroom home features huge living spaces and more than enough storage to accommodate any modern family and comes fully equipped with a back patio for entertaining! This family home allows for family and friends to gather to enjoy the best of what life has to offer! This property boasts elegance with neutral tones throughout. Upon entering the property, you are greeted with the front lounge, perfect to sit back and enjoy a good book, or movie - whichever takes your fancy! This room can either be opened up to enjoy the space with family or friends or can be secluded using the double doors to create a private oasis for yourself! The lounge features a large window, allowing light to pour into the room. The outer wing of the house, facilitates the large bedrooms - both of which are of ample size. Painted in a neutral tone, you can be assured that these rooms could be styled to suit any tenant's taste. Features of this property include- Separate lounge - Neutral decor throughout- Undercover entertaining area- Spacious rear yard with garden shed and single airport- Room for extra parking at front of property
