Situated in a desirable location, this generous 766sqm block is nestled in a quiet yet convenient pocket in Wentworth Falls. Set on the high side of the road, this solid brick home offers ample space for a growing family and is within a short distance of all local amenities. The heart of the home lies in the open plan living and dining area, seamlessly connecting with the renovated kitchen, boasting stone benchtops, gas cooking, and ample cabinetry. Washing up will never be a chore with picturesque views out to the rear garden. Glossy timber floorboards throughout the home remain in pristine condition, and adding to the allure, a Norwegian cast iron 'Jotul' wood heater in the living room ensures warmth and coziness during colder months. There are four light and airy bedrooms, three with built-ins, including the master, which features a new shower ensuite. The main bathroom, with a separate bath and walk-in shower, has been tastefully renovated with Italian marble tiling and underfloor heating. Additional features include plush quality carpet, internal access to the garage, ample underhouse storage space, and stunning gardens featuring stacked stone edging, meandering paths and established plantings of fruit trees, flowering bulbs and colourful exotics. This immaculate family home is in a convenient location, close to Wentworth Falls village, schools, and transport links.
