This property represents great value to buy into the Phillip Island market and is situated in a quiet area within walking distance to the famous Red Rocks North facing beach and an easy drive or bike ride to Cowes shops and restaurants. With a functional open plan layout looking out to the deck and established, leafy backyard – you've found yourself a calming sanctuary. It's tough to get side access in Estates - but this one has it with the added bonus of great privacy from the street. Move in ready with additional off street parking, this property is perfect for a downsizer or investor and would also make an ideal low maintenance holiday home. If you're an investor, our specialised rental department are here to assist in the management of your future investment.
