This comfortable family home represents coastal living at its best! Currently tenanted until November 2023 with valued long-term tenants, this solid brick two storey home has plenty of charm & the clever design offers open plan living whilst maintaining that cosy atmosphere. The lounge room features a large wood heater and bay window overlooking the front gardens with a spacious dining/family room opening onto a well-appointed kitchen. The efficient Daikin RC heat pump provides an alternative option to keep the home at an ideal temperature year round with a CCTV and alarm system ensuring your security & peace of mind. The family bathroom features a spa bath & separate shower with convenient dual access opening into the hallway and main bedroom - with built in robes providing plenty of storage. The backdoor opens onto a huge undercover alfresco dining area (10m x 3m approx.) - the perfect place to entertain family and friends or maybe a place for the kids to play on a wet day. The secure back yard has vehicle access with a detached single garage/workshop at the end of the driveway. At the top of the timber staircase you will find a lovely sitting room with spacious bedrooms either side both with heaps of storage and dormer windows providing plenty of sunshine and views. Located a short stroll from the quaint Shearwater Village and pristine beaches, this property is sure to appeal. Call Julie Gale for more information or to arrange an inspection.
