The best of both worlds, beautiful bushland outlook and less than 500m walk to the beach and shared pathway. This well maintained brick home has plenty of space for the whole family with a large master suite complete with walk-in robe and ensuite, a large second bedroom and a one of a kind third bedroom with built in bookcases and loft area, perfect for reading, or a hideaway for the kids. The large open plan living/dining room features raked ceilings and combustion wood heater as well as timber floors whilst the sunken lounge area looks out onto the big backyard towards the bush and features an open fireplace. There's so much potential here to create a very spacious and comfortable home for your family for years to come.
