Attention large families and investors - do not miss the opportunity to acquire this unique family home boasting generous dimensions, expansive living areas, 2 alfresco entertaining areas and decks, tropical pool, and plenty of lawns and gardens for the entire family to enjoy. An easy, convenient lifestyle awaits with a quiet location and playgrounds and parks only minutes away. Beautifully presented, practical in layout & clever in design and added perks at every turn, this home must be seen to be fully appreciated. Positioned in central Daisy Hill, this spacious family home sits on a generous 778m² allotment towards a quiet Cul de sac. Designed for the growing family, the open plan, air-conditioned living and dining areas flow nicely onto its outdoor entertainment deck and tropical pool. Central to the home is its practical kitchen complete with sweeping stone-top benches, plenty of storage, skylight, and direct views to the pool and entertainment areas. With easy access to its 2 undercover patio and deck areas complete with fans, built-in bar area and relaxing tropical pool, entertaining is an absolute must all year round. All 5 bedrooms are spacious and nicely positioned away from living areas, featuring BIR robes, fans and A/C in bedroom 4. As a bonus, the home's 5th bedroom can also be converted into a practical rumpus or media room complete with external access to the outdoor area. The generous master bedroom is ideally located at the front of the property, complete with A/C, BIR and open views of the front and side yards. The clever main bathroom features shower/bathtub combo and separate W/C. For added practicality, the external laundry is easily accessible via the deck area as well. There's room for the whole family and pets in its fully fenced, low maintenance front and side gardens. Its tranquil North-facing swimming pool a focal point that simply must be shown off, comes complete with built-in shade-sail, polished decks, and serene views. As an added extra, this home also comes with a triple shed complete with whirly bird and electric supply, perfect for the keen hobbyist or collector of adventure toys. Additional features include:- Newly painted interiors- Newly laid flooring and carpets throughout - Timber shutters throughout- Brand new colour bond fencing and landscaping- Triple carport with extra space in driveway- Easy rear access for small boat or trailer- Water-tank 5000L - Solar Panels (26 panels)- Newly oiled decks- Low maintenance, established gardens This outstanding location is the perfect 'in-between' from Gold Coast and Brisbane travellers. Perfectly family-oriented, boasting 6 family parks and nature reserves in close proximity, with a choice of quality schools including John Paul College, St Edwards Catholic Primary and Daisy Hill State School all within 2 km. The lifestyle location is easy for your family too with public transport, train station, easy access to the M1, local shops, Chatswood and Hyperdome Shopping Centres only minutes away. Secure your family's lifestyle and future in one smart move, promising security of land size and massive future growth. Available for vacant possession. Contact John Santos for more information.
