The phone enquiry code for this property is - 5491A pleasant façade presents as you approach the home with its 3 generous bedrooms all tiled and with split system Air Conditioners and robes. Space galore for your children or grandchildren. The main bedroom has an ensuite and walk in robes and is of course A/conditioned. The family bathroom has a shower over the bath with the screen protecting the vanity, while the toilet is completely separate. There is plenty of space for all in the open plan living area with the kitchen positioned where you can keep an eye on everything! Both inside and out. This area is also tiled and A/c. Overhead cupboards with a rangehood allow for a little more storage in the kitchen. The laundry is inside which is so much better all year round! The property also features a large, fully-high fenced yard with space to play or even maybe add a pool or spa. It is ideally set within walking distance to Bakewell Primary School and the beautiful Sanctuary Lakes Park. No main road living here! Court living is quieter, only local traffic goes past and therefore safer too for children. Attached is a double carport with drive way parking for extra vehicles if needed and it is easy to take a car or trailer through to the rear yard for tools or garden requirements. There is a garden shed 4 x 4 metres so it's a handy size. Currently happily tenanted until December, it could stay this way if you are looking for a solid investment.
