Sold House

Wednesday, 23 August 2023

19 Cromer Street, South Lismore, NSW 2480

Bedrooms: 3

Bathrooms: 1

Parkings: 3

Area: 993 m²

Type: House

\$240,000

Affected by the 2022 floods, this high set stucco exterior home would be suitable for renovators and investors to add to their portfolio. The home boasts three bedrooms plus a sleepout, central kitchen, separate dining and lounge, with the lounge room having its own fireplace. The home has hardwood timber floors throughout along with high ceilings and ornate cornices, whilst the art deco design of the entry is typical of the era. To the rear of the home is a spacious covered deck, a great place to entertain or to watch over the kids as they play in the expansive 993m² fully fenced rear yard. Under the home is fully concreted and provides loads of secure storage, single car accommodation along with covered parking for two more vehicles at the front under the double carport. The home also has a large solar system requiring a new inverter, solar hot water and is a short drive to South Side shops and only minutes to the Lismore CBD.
