SOLD by Jellis Craig. Move straight in and enjoy this beautifully updated, light-filled home that seamlessly blends desirability and affordability in a sought-after pocket. Easy-care rendered surfaces in on-trend shades perfectly complement the gorgeous landscaped gardens and lush lawns that feature in the front and rear yards of the generous 544m2 allotment (approx.). Step inside to an interior that will impress with its polished timber floors, neutral tones and abundant natural light throughout a layout introducing a spacious lounge sweeping around to the meals area stretching out from the well-equipped kitchen. A fully tiled bathroom serves three bedrooms, all featuring built-in robes and zoned from the living spaces. Partnering the indoor living and entertainment choices is a vast undercover outdoor area. Linking the carport to the double garage, it's ideal for outdoor enjoyment or the perfect covered space for the kids to play when the weather turns. Ducted heating and cooling, split system unit, ceiling fans, day-night blinds, roller shutters, and laundry with storage lead an impressive list of desired inclusions. An easy walk to parklands along Darebin Creek, schools, Lalor Plaza, and the bus stop for a quick trip to the station, and with the Ring Road within a short drive, the location caters to every stage of family life and meets investment criteria with ease.
