AUCTION

This stylishly renovated home is set on a 358m² block of land in a quiet position close to good schools, shops, and all the amenities of Bankstown's CBD. It offers elegant interiors and quality finishes throughout, with a smart design that lets in plenty of light. You will love the spacious lounge and dining area which is so hard to find in many homes today. The kitchen is a classy poly design with 40mm Caesarstone benchtops and splashbacks, stainless steel appliances and gas cooking. It offers two large bedrooms. The master bedroom is massive with its own elegant ensuite and a his and hers walk-in-robe. The main bathroom is beautiful and has separate shower and toilet. There is also a third toilet in the internal laundry as well. There are many extras such as ducted air-conditioning, plantation shutters, attractive stone-textured ceramic tiles throughout, and a durable acrylic rendered finish over the Blueboard exterior. Entertainers will love the generous sized family room which opens onto a private tiled courtyard. There is a shared driveway which gives access to two open car spaces in the front. A double carport or garage conversion of these is possible. There is also potential to extend to the front to make a 3rd bedroom, or you could make a 2nd storey extension. Don't miss out on owning your own slice of heaven!
