\$2,120,000

Providing good proportions with an emphasis on functionality, space and natural light, this two-storey residence has been cleverly upgraded for modern family living. Behind its classically presented facade is a light and airy home that's been smartly modernised, extended and designed to provide a great space for low-maintenance living, with a private north-facing garden at the rear. The lifestyle appeal of being so close to the heart of Leichhardt is irresistible because of the enticing array of renowned cafes, parks and eateries within strolling distance. A well-planned layout featuring a light-filled open living space North-facing backyard includes a paved patio and grassed garden Three great-sized bedrooms plus a study for working from home The master is on the upper level and has a walk-in and ensuite Modernised kitchen with a breakfast bar and sleek gas fittings Well-lit full bathroom, air-conditioning and plenty of storage A quiet and wide street setting with parking permits available In the catchment for Leichhardt Public, walk to daycare
