\$1,150,000 - \$1,250,000

With its 1950s character beautifully preserved and updated for modern-day living, this renovated and stylish two-bedroom residence enjoys a prized location, on the cusp of Melbourne's leading sandbelt golf courses and minutes to 'The Links' shopping centre. Immaculate from top-to-bottom, with soaring ceilings, stained timber floors and open-plan living and dining, the home is suited to everyone from busy couples and savvy investors to downsizers keen to retain an ultra-accessible presence. Generously proportioned with the option to extend, develop, or the potential for a multi-dwelling development on the large 603sqm (approx) allotment (STCA), it boasts the best of instant liveability and future scope. Positioned within easy-care landscaped gardens, the home's interior reveals free-flowing living, meals and kitchen domains off the central hallway, highlighting sleek stone benchtops, a waterfall-edge island and a suite of high-end electric appliances, including an integrated dishwasher and induction cooktop. Two bedrooms each boast built-in robes, served by a chic central bathroom with an on-trend floating vanity, whilst out back, there's plenty of room to entertain. Added highlights include split system heating/cooling, off-street parking for four or more, and plenty of storage. Within easy reach of shops, cafes, bus services and zoned for Oakleigh South Secondary and Primary Schools - this renovated charmer is ready to impress. With so many attractive features, this property will enchant and delight those seeking a turnkey home or investment opportunity in a thriving family-wise location.
