## AUCTION | \$890K-\$950K

Secured behind electric gates and tall privacy fencing, offering two levels of style and versatility, this comfortable home is perfect for families looking for comfortable, easy living, and provides a ready-to-enjoy lifestyle in a brilliant location. The home opens past a purpose built study/home office or 4th bedroom, with cupboards and a desk space, and into the expansive living and dining domain. A delight to the senses, stone surfaces and timber floors accent the modern interiors where combined dining and living are overlooked by a designer kitchen with butler's pantry, stone benchtops, stainless steel appliances, and an abundance of storage. Two sets of bi-fold doors open to a decked outdoor entertaining area and low maintenance yard. Three bedrooms are positioned upstairs, the master suite boasting a private balcony, extensive fitted walk-in robe, and chic ensuite. Fully tiled, it features a double shower and dual stone-topped vanity. Two more bedrooms both have walk-in robes and are serviced by the equally stylish central family bathroom with separate shower and bathtub. Ducted heating, refrigerated cooling, security camera and alarm system, downstairs powder room, full size laundry, ample linen storage, extensive custom shelving and joinery throughout the home, remote-control garage with a large storage area, plus additional off-street parking on the exposed aggregate driveway complete the amazing package on offer in this fantastic home where all aspects of comfort and security have been considered. Located walking distance from vibrant West Street and the East Street shopping precinct, it's also close to kindergartens, schools, local parks, Northern Golf Club, buses and trains, as well as easy access to Citylink, and a quick drive to both Glenroy and Coburg North shopping.
