Set in beautiful environmentally sensitive Waterways, walking distance to the Lake for a leisurely walk along the parks or to enjoy a coffee and snack at the cafe at the edge of the water. The 2 storey house has 4 large bedrooms, all with built in robes with the master also having own ensuite bathroom and the second bedroom upstairs also has a balcony with views across the park. All bedrooms are upstairs as well as a second bathroom. On the ground floor, the very large living room, can include a dining area with a second dining area adjacent to the well appointed kitchen, with all appliances including a 900mm cooker and oven. There is a powder room downstairs, a separate laundry and a low maintenance beautiful garden. A beautiful family home in a tranquil area of Waterways.
