Located close enough to walk to the golf course and beach is this lovely family home. The open plan living area is very spacious, with plenty of room for the whole family to sprawl out. The kitchen is adjacent to a very roomy dining area, perfect for dinner parties and entertaining. The master bedroom features an ensuite and walk in wardrobe. All the bedrooms are carpeted and the other three have built in robes. Both the ensuite and main bathroom have big showers and stylish vanities. There is also a double remote garage with access to the home. The back yard is fully fenced and there's an outdoor entertainment area off the side of the home. Perfectly positioned between the shopping centre and the beach, this family home is in quiet street with other quality homes. There is a long term tenant in place with a lease until April 2024. Homes in this area are highly sought after so be quick to book your inspection.
