This beautifully presented two-bedroom home is an absolute stunner! Representing awesome value, this may well be the last opportunity to secure a comfortable home at an amazing price.

LIVING HERE The living space is open, airy and naturally bright. It incorporates the lounge room and meals area and leads through to the well-configured kitchen. There is an air-conditioner that comfortably sets the temperature for this part of the home. There are outdoor living spaces on both sides of the house, with one courtyard-style space at the front and another beautiful patio area at the back. Inside and out, living here is very easy and very comfortable. The bedrooms are both of a great size, with the master bedroom featuring a large wardrobe and big suitably large enough to fit a big king-size bed. Bedroom two will comfortably fit a double bed. The bathroom is immaculately clean and has a modern vanity unit and a massive shower and bath.

WHERE IT IS Set in a fantastic location, this home is close to everything. There are two schools just up the road, a daycare centre right across the street and an awesome array of shops just up the road. It's close to restaurants, cafes, supermarkets, and more. It's also within easy walking distance of great parks and recreation facilities.
