\$560,000

SOLD AT AUCTION BY RACHEL HOBBS Are you in pursuit of a property where your creativity can thrive? Whether you choose to retain the charm of this circa 70's residence, remodelling it to restore its former glory - or you simply want to seize the sizable land and build something perfect - the possibilities are endless! Upon arrival, this home beckons with a spacious front deck, perfect for savouring the morning breeze with a cup of coffee. Entering inside, you'll find a generous open living space that seamlessly connects to the dining area creating a nice sense of flow through the property. What truly sets this home apart are its discreet additional spaces, including a room adjacent to the dining area and a sunroom accessible through the main bedroom. If you put your renovations cap on these spaces could be utilised to expand your main bedroom into a suite worthy of the term master! The backyard holds tremendous potential, offering space to incorporate a pool or an alfresco area. A standout feature is the impressive Mulberry tree, not only yielding fruit but also providing refreshing shade in the afternoons. Some of the finer details:- 3-bedroom, 1 bathroom- Large front deck- Carport and fenced car space at front- Big backyard with Mulberry tree- Close to local state primary and high school (750m)- 2-minute walk to bus stop - Logan Central Shops and eateries are only 6 minute drive- Logan Hyperdome shopping centre is a 9 minute drive- 607m² block Situated in Slacks Creek, this residence provides convenient proximity to local amenities, schools, and parks. It stands as a prime prospect for enthusiastic renovators seeking a property rife with potential and growth. Don't let this chance slip away - take a step towards making this property yours. Reach out to us today to arrange a viewing and secure this residence. Given that the property is scheduled for auction, we're eager to engage in a detailed discussion with you including how you may be able to secure it prior to then!
