This exceptional 4 bedroom home combines contemporary elegance with a relaxing lifestyle in the highly sought after Lakes Estate. Offering a spacious, single level design, this home is deceptively large and will comfortably accommodate growing families right through to retirees. Open plan living provides seamless interaction with the undercover alfresco entertaining area, while the quality kitchen is a chef's delight, offering stone benchtops, gas cooking, dishwasher and an enormous amount of storage space. All 4 bedrooms are a generous size and feature built-in robes and ceiling fans. The master bedroom also boasts its own ensuite. Families will love the separate media room and another wonderful feature is the designated home office. Complete with polished porcelain floor tiles, air conditioning, solar power and a double garage, this home was originally a builder's own home and has been finished to a high standard. The Lakes Estate is known for its friendly community atmosphere with walkways and children's park adding to the appeal. The central location also ensures beaches, cafes, shopping centres, schools and the hospital are all just a short drive away.
