Less than 10 years young, 19 Fairway Drive is a premium home with all the modern inclusions of a new home positioned in one of Mackay's great new estates at The Waters Ooralea. Featuring open plan living and a media room, four bedrooms and two bathrooms, air conditioning throughout, double garage and side access to the backyard, no stone has been left unturned. One of the great spaces of the home and most used is the open plan living area, combining the kitchen, dining and lounge spaces, featuring a soaring raked ceiling over for a beautiful point of difference. You'll just love the functionality of the galley style kitchen with all white cabinetry and benchtops, plus an island bench with full length breakfast bar. At the front of the home you'll find the second living space being the semi-open media room, the perfect place for quiet nights in or dedicated play room. Towards the rear of the home you'll find the more private spaces being the master and remaining three bedrooms. You'll delight in the generously sized main bedroom featuring a walk-in-robe and ensuite, plus the other bedrooms are all with built-in-robos. The main bathroom is nestled amongst the bedrooms and includes a bathtub and shower, with separate main toilet. And for year round comfort, this home is air conditioned throughout with split system units and need not worry about running costs with the homes 6.49kW solar system. You'll find this home has great connectivity through the internal and external living spaces, with the rear patio right off the main living area. Open the space right up via the glass sliding door to combine both spaces, perfect when entertaining with family and friends. Not to forget this property has great side access to the backyard which has been left to your imagination. Fully fenced and irrigated, there is plenty of room here for a shed and pool to finish the space. And you'll just love living at the Waters Ooralea being so close to so many conveniences, with the Mackay CBD a mere 15 minutes away. With a modern appeal and premium finishes, this home really is move in ready. Offering so many extras like air conditioning throughout, irrigation system, solar and more, an inspection is a must of this great opportunity that is 19 Fairway Drive and the Waters Ooralea.
