Excellent parcel of Land with 20 metre frontage centrally located to Sydney's Northern Suburbs. Currently occupying the land is a modest 4 bedroom home which provides for formal living and dining, meals and additional downstairs rumpus room. Ideally located within Marsden High School catchment and within a short walk to Ermington Public School shopping and restaurants. Moments to Ryde Parramatta Golf Club and Bus Transport on Winbourne Street to West Ryde Shopping and Rail. Excellent opportunity to Develop an attached Dual occupancy (subject to approval by city of ryde council). Rarely do land allotments of 1144sqm become available in such a wonderful position. Inspection of land only. No internal house inspections.
