Welcome to 19 Frederick Street, Wellington Point-where contemporary design meets the tranquility of nature. This stunning property boasts a unique architectural design that seamlessly blends an elevated exterior with a lowset interior, providing both grandeur and convenience. Situated in the heart of Wellington Point, this residence enjoys a central location, ensuring you are just moments away from the vibrant pulse of the community. However, step inside, and you'll find yourself in a serene oasis. The lowset interior creates a sense of coziness and accessibility, offering the perfect balance to the elevated facade. One of the standout features of this property is its breathtaking bush outlook. Thanks to its prime location on Frederick Street, you'll wake up to the beauty of nature every day. Imagine sipping your morning coffee while gazing at the lush greenery surrounding your home-it's a daily retreat from the hustle and bustle. With four spacious bedrooms, this brand-new home is perfect for families looking for comfort and style. The interior is thoughtfully designed, and the kitchen is a masterpiece in itself. A modern and functional kitchen awaits, complete with state-of-the-art appliances and a butler's pantry for the aspiring chef in you. Storage woes? Not here. This property comes with ample storage space to accommodate all your belongings, making organization a breeze. The grassed area adds another layer of appeal, providing a perfect play area for both kids and pets. Picture lazy weekends, entertaining guests, or simply enjoying the open space under the clear Wellington Point skies. In summary, 19 Frederick Street is not just a house; it's a lifestyle. Embrace the unique design, revel in the central location, and immerse yourself in the beauty of the surrounding bush. Welcome home.
