\$699,000

A stunning vacant block in Kennett River's most desired location. 1,135 sqm in size with a 26m frontage to Gibson Avenue and a 28m wide access from Grey River Road (from the back of the block). North east facing soaking up the sun all day, all year long and also boasting the best view towards the back of Wye Point and the coastline in the foreground. A beautiful blue gum setting with established houses either side and Otway National Park to the west. A caravan, storage shed and power to the site can all remain on the block and are included in the asking price. Owned for 50 years by the same family and never been built on. It's a truly special building block!
