This attractive and modern 4 bedroom home sits nicely elevated in a very desirable position within close proximity to Black Head Beach and local amenities such as the supermarket, library, post office etc. This home features polished concrete floors throughout and provides a large master bedroom with walk in robe and impressive ensuite whilst the remaining bedrooms are separate towards the rear of the home. The home enjoys a large open plan living area at the rear of the house with fireplace which leads onto a spacious covered outdoor area where you can enjoy a relaxing bbq or alternatively cook up a storm in the designer kitchen with butlers pantry. There is a 2nd living area plus ample storage and overall this is a home you really should inspect.
