Welcome to 19 Hampton Street Goulburn, an exceptional opportunity for investors, first-time buyers, or renovators. To add value to this already great home, you could add your own personal touches to transform into the modern era, it is strategically positioned across from Bradfordville school and is approximately seven minutes away from Goulburn CBD as well as close to the Bradfordville supermarket and the Health Hub. This property summaries the essence of a convenient lifestyle with it's versatile floor plan and low maintenance corner block. Featuring three bedrooms all with built-in wardrobes, the master bedroom has an ensuite and walk-in robe. This property also has two large living areas with a wood fire and split system air-conditioning as well as renovated main bathroom. Kitchen is original, but still in good condition. Parking is hassle free with with a single garage with internal access and remote opening and closing. This is the first time this property has been offered for sale so take advantage of this opportunity to make this versatile house into your new home.
