Ideally located in south-central Shepparton, this well-presented brick veneer home has been tastefully renovated to offer modern comfort while retaining its original charm. Close to major shopping complexes, schools, and the lake, it provides an excellent setting for leisurely walks or family gatherings. The home features three generous bedrooms, with the Master suite boasting a spacious walk-in robe and ensuite. An additional bungalow out back can serve as a fourth bedroom, perfect for guests or a home office. The remaining two bedrooms are also well-sized. The renovation has brought a modern aesthetic to the home, highlighted by polished floorboards and ornate cornices that preserve its character. The inviting kitchen and dining area are bathed in morning sunlight, equipped with a gas cooktop, stunning benchtops, a glass splashback, and ample storage. For year-round comfort, the home includes evaporative cooling and ducted heating. Outside, you'll find a spacious yard with a dedicated children's play area nestled among lush, established trees. This charming home truly warrants your inspection.
