Positioned in what is arguably one of the best locations in Lucas – within a stone's throw of Coltman Plaza and positioned next to the Lucas Lifestyle Village. So much thought has gone into the design of this home. Not just a great floorplan but also exceptional garden design and outdoor living.

- Immaculate presentation inside and outside on this outstanding Lucas home.
- A custom floorplan that offers three oversized bedrooms and a study, and perfectly separated living areas.
- The master bedroom is positioned at the front of the home, featuring a large walk in robe and a great ensuite design with dual basins, an oversized shower and a separate toilet.
- Bedrooms 2 and 3 are exceptional in terms of space and both feature robes and sliding door access to the deck that wraps right around the rear of this property.
- The main bathroom features a large shower and wall niche, feature bath and plenty of space.
- A laundry abundant in joinery and hamper space is a feature.
- The study features a built in Laminex desk space.
- Two separated living areas – a formal lounge off the central hallway with sliding door access linking up to the back of the alfresco and an everyday lounge off the kitchen/meals area.
- The kitchen boasts outstanding quality with stone counter tops, a large corner pantry, 900mm freestanding gas cooker and a dishwasher.
- Through sliding doors off the living space is an enclosable decked entertaining area with a brick feature backdrop wall.
- Gardens are an absolute feature, front and back. Expert landscaping and decking creates a sense of peace and tranquility.
- Further features of note include double glazing, solar power, gas central heating, evaporative cooling and an oversized double garage.
- Walk to Coltman Plaza, Lucas Primary, Siena Primary and medical facilities.
