Conveniently located in sought-after Kalimna, this appealing 3 bedroom home has much to like. I mean, who doesn't like a new kitchen, bathroom, & laundry plus new carpet & tiled flooring. Surprisingly spacious for a compact home and with a great north/west facing deck and secure back yard with garage/workshop and storage. And if you feel like dipping a line or having a swim then Kalimna Jetty and (Kalimna Hotel) is only a minute or two from your front door. Every bit as good as it looks.
