Perfectly capturing the essence & soul of a European countryside villa with interiors that feel like a big warm embrace, this beautiful 4-bedroom, 2-bathroom home is an unforgettable setting of timeless style and refined sophistication - and here is your chance to become its third lucky custodian. Glorious arches, soaring pitched ceilings and exposed brick painted in calming creamy-white hues will take you away to faraway provincial France, while a fabulous alfresco area with a sparkling pool and plenty of room to unwind or entertain will make you feel like you are on holiday all year long. Centred around a cosy gas fireplace and with pale engineered flooring flowing seamlessly underfoot, the heart-warming lounge beckons guests inside; while further on hosting is easy thanks to the separate dining area and timeless kitchen which is equipped with quality appliances and fitted with timber benchtops, a pressed metal splashback and ample storage. The master bedroom benefits from a wall of built-in robes along with the luxury of a private ensuite; the remaining bedrooms are separately zoned and share a refurbished family bathroom with sumptuous spa bath and striking tiled feature wall. Designed for year-round entertaining, the undercover alfresco patio with retractable blinds incorporates a bar and space to dine or lounge in front of a cosy wood-burner fireplace. It is also the ideal spot to watch movies or sporting matches thanks to an in-built projector. At the rear of the home, a serene water feature is the focal point of the neatly manicured garden which is the perfect spot for star-gazing. Completing this impressive package are split systems, European-style laundry provisions and garage while proximity to Dingley Primary School, the kindergarten, shopping centre, parks and cafes will ensure the home is at the top of many inspection lists.
