This exciting home will offer any family an exceptional living experience, with outstanding entertaining spaces and endless lifestyle opportunities. Located in Parkwater, this highly regarded Estate offers pristine surroundings of native bushland with meandering walking trails at your doorstep. Walking through the large welcoming entrance, the home opens into a well-designed open-plan living space. High ceilings and abundant glass give the house an expansive. This magnificent kitchen makes entertaining easy. Its galley-style design overlooks the living and dining areas. It features high-end stainless steel appliances, endless storage ideas, a walk-in pantry and spacious Essastone benchtops. Pendant lighting and the appeal of breakfast bar dining will make casual meal times all that more pleasurable. The open-plan living and dining areas provide solitude for family members and an enlightening connection with nature. The picturesque outlook is mesmerising from all the living spaces. A slow-combustion woodfire heater commands attention to the right of the kitchen and will add warmth and comfort in the winter months. A feature stone wall highlights the additional office/sitting area. The master bedroom is adjacent to the kitchen and is the ideal retreat for adults. It features a spacious ensuite with two separate vanities, carpets, a walk-in wardrobe, and a private sliding door with outside access. Bedrooms two, three, and four are all located off the lengthy hallway, along with a separate bathroom, toilet, and laundry with outside access. All bedrooms are light and bright and feature carpets and a built-in wardrobe. The undercover alfresco space promotes casual dining and endless living possibilities for the family and guests. The stunning outlook expands across the backyard, with vibrant gardens and veggie boxes in sight. Limestone walls and steps define the exceptionally rich and beautiful gardens, complementing the abundance of stunning birdlife.
