An easy living, fully air-conditioned, family home with 3 huge bedrooms is ready and waiting for your family, the dogs and the horses to move in. The modern kitchen, with island bench, flows through to the dining and lounge area. With high ceilings throughout the home and a wide hallway it all feels so spacious. Depending on the mood and time of day you can perch up on the front verandah for a coffee or head out back to the undercover entertaining area and enjoy the relaxing rural outlook. The bathroom follows the general theme of the house and is a good size. Just beside this is the internal laundry which leads out to the double lock up garage. Behind the fully fenced house yard is a 3 bay shed with a free standing, 2 bay lean-to on the side, 2 stables, day yards and paddock. Water needs are well met with both bore and rainwater. If you need a base when you come to town, if you would like to retire to small acreage or if the family needs some space, this place could well suit your needs. This property is less than 10 mins from Gracemere and 20 minutes to Rockhampton. Don't miss out! To Arrange An Inspection Please Call Netty Wendt 0421 488 579 Ray White Rural Gracemere
