IMMACULATE NEW HOME READY TO MAKE YOUR OWN

This modern home on 805 sqm could be your new dream for 2023. With views to the mountain range to the west and Devils Thumb this spacious yard has room for a shed and a pool! As the photos show, the home has been positioned on the block to take in the views of the surrounding mountains.

The lovely kitchen and living area opens to the undercover outdoor dining space. The spacious kitchen with island bench allows for everyone to be interacting. Fully tiled throughout with ceiling fans and airconditioning this home is cool, and the fixtures provide a blank canvas for you to make this your own.

The Master bedroom (with ensuite) opens to the outdoor patio, and the front bedroom or office also has views to the mountains along with built in mirrored door robes. Bedrooms 2, 3 & 4 are also spacious and all bedrooms have airconditioning. There's a family bathroom with bath and separate toilet.

This home was built in 2018 with Solar hot water and plenty of room if you choose to reduce your carbon footprint and get solar.

It's just 5 minutes to Mossman township for your local shopping and Cafe's and new wine bar Hughies for a Friday night catch up drink. Port Douglas is 10 minutes south for restaurants and a spot of shopping, and Cairns International Airport is just over an hours drive further south. Many Cooya locals work in Port Douglas as it is so convenient.
