We are excited to present a perfect canvas for your dream home or next building project. Key Features: Generous Frontage: With approximately 19.2 metres of frontage, this block offers ample space for various home designs and landscaping possibilities. Level Block: The land is level, with an east-west orientation, which allows for a north-facing private living area in your future home. Secure Boundaries: The property is already fenced on both sides and across the rear, and there is an easement across the rear boundary. For further info please make contact.
