Rarely does such a substantial family home become available in this quiet pocket of Slacks Creek, with excellent condition and low maintenance packaging. Positioned on a particularly large, 874sqm holding with a 24m frontage and commanding street presence, 19 Lake Road is the full package. Family buyers will love the close, flat walk to extensive parklands and local schooling. The location is wonderfully peaceful yet surprisingly, just a very short drive to access the motorway and beyond. Generous proportions throughout, render 19 Lake Road as the perfect family offering. Complete with inground pool, massive 42sqm alfresco, fully fenced level yard and wide side access, this is an entertainer's dream. Modern appointments compliment the low-maintenance brick and tile style along with special additions such as air conditioner, LED downlighting, quality stainless steel appliances and rooftop solar. Tinted windows, security screens and remote garage access round out the offering. Cared for impeccably since construction in 2006, there is simply nothing to do except unpack. Despite ticking all of the important boxes, there is still room for future improvements or flexible use with ample space for granny flat or shedding, an internal studio with own plumbing which could be utilised for home business, as a mudroom or butler's pantry addition and capacity to be subdivided.
