Set on a beautiful 683sqm block, this is a sensational home in a fantastic location. The home is immaculate, and there's nothing on the to-do list other than sit back and enjoy this delightful home. LIVING LIFE HERE! It's an absolutely brilliant design, and the whole place just flows beautifully. There is so much to love about this home, and the atmosphere is wonderful. The kitchen and the lounge feature soaring high ceilings are amazing, and there's a real sense of quality in here. There's some notable practicality to the design, with the kitchen meals area serving you well if you want to configure the living area for a larger lounge area. The bedrooms are all of a good size, and the master bedroom features a built-in robe and has space for a king-size bed. The main bathroom has been beautifully designed and styled. It has floor-to-ceiling tiles, a huge shower and a second toilet (huge shower but a normal size toilet, just in case you read that any differently and were expecting something out of the ordinary...). The laundry has the floor to ceiling tiles as well as a second shower and a separate toilet. This is a superbly practical arrangement! Outside we find the huge patio that runs right along the length of the home. There's seriously impressive space for entertaining, and the whole yard is just a joy to be amongst. The majority of the property is behind the front fence, so there's an abundance of usable space to work with. The well-veggie gardens are a real highlight of the yard, and everything is easy to access, so you can harvest the freshest and the best throughout the year. The garage at the front of the home is secure and features an electric roller door. At the back of the home is a garden shed to keep those other bits and pieces out of sight and out of mind. WHERE IT IS Walk out the back gate, and you'll see you're right over the road from the World Class, ever-improving Champion Lakes rowing facility. It's not just rowing going on over here; we've got walk and cycle paths right around the lake, playgrounds and more. We're also in easy walking distance of Westfield Park Primary School and not too far from John Wollaston Anglican Community School. WHAT NEXT Hit the EMAIL AGENT button on the website, and we'll be in touch to set up a time so you can see this wonderful place for yourself!
