Stylish, spacious and single level – this 2011 build in a parkside street welcomes the family to every modern comfort from the prized school catchment for Pinewood Primary and Glen Waverley Secondary College (STSA). The modern design celebrates 'bringing the outdoors in' with living space connecting to the al fresco area and garden – perfect for families wanting a traditional back yard setting and room for weekend BBQS. Inside, you can spoil the family with bright, airy living spaces at the heart of the home, and private bedroom settings in the outer corners. That means privacy for parents in a master retreat with a twin basin vanity in the ensuite, and a dedicated family bathroom for children. The free-flowing design presents 3 separate living areas to give the family room to relax and entertain, with a central kitchen equipped with prestige Siemen, Smeg and Blanco appliances to make light work of the cooking schedule. Landscaped with screening trees along the back fences, and fully featured with central heating, evaporative cooling, and a double garage with internal entry, there's everything here for the family to thrive, in walking distance to Pinewood Shopping Village and Syndal train station, with the Monash Fwy and Eastlink to fast track you to from city to coast and a choice of both public (Pinewood, GWSC) and private schools (Huntingtower, Wesley) for the all-important education years.
