Luxuriating in glorious northerly sunshine, this beautiful Art Deco home is a brilliant find in a location to match. Just moments from the village, primary school and station, its stylishly updated interiors have been reimagined for modern family living, while exquisite leadlight, feature fireplaces and decorative cornices are stunning reminders of its fabulous 1930s origins. On a broad 19.8m wide allotment of approx. 494sqm, the home's classic façade opens to welcoming interiors enhanced by hardwood floors and high ceilings. Upon entry, the inviting lounge provides a heart-warming welcome and is the perfect spot to unwind, while further on a separate dining room is the ideal setting for nightly family meals. Premium Bosch appliances star in the renovated kitchen which also boasts sleek stone benchtops and lots of cupboard space. Three bedrooms and two bathrooms will please families - the master with walk-in robe and ensuite is bathed in streams of natural light thanks to its northerly aspect while a stunning main bathroom with freestanding tub and stone-topped vanity services the remaining bedrooms, one with built-in robes. A full laundry enjoys direct access to the sunny backyard with plenty of room for children and pets to play - there is also a storage shed and lock-up garage while back inside, refrigerated air-conditioning, ducted heating and a handy study area complete a truly appealing package. Chadstone Shopping Centre and Monash University (Caulfield) are within minutes of this sun-filled haven, while parks, bus stops, cafes and local shopping options are all close by for a life of ease and convenience.
