Here is your chance to step into a stunning 'as new' 4-bedroom home inside Imagine Estate in Strathfieldsaye. Situated in a tranquil and leafy pocket, this popular area offers peaceful bushland surrounds whilst being close to everything Strathfieldsaye has to offer. Stepping inside, you are greeted by warm timber flooring that extends throughout this bright and airy home. The family-friendly layout offers a private children's wing at the front of the property, boasting three bedrooms centred around a shared bathroom and cosy living/study space. The thoughtful design choices have been carried through to the central living space, which is the hub of this family home. The stylish and well-appointed kitchen features stainless steel appliances, a large central island, and gorgeous stone countertops. A second living area off the kitchen offers the opportunity for a media room, a spacious home office or the possibility of a fifth bedroom. The main, at the rear, is a tranquil and airy parent's retreat with wall-to-wall windows and a glass sliding door for private entry into the backyard. The generous walk-in robe and 3-piece ensuite with a double sized shower completes this peaceful master suite. Outside features an undercover alfresco area and easy care backyard with established landscaped gardens, offering the perfect place for a busy family to unwind and relax. Enjoy the convenience of being just a few minutes from Strathfieldsaye Shopping Centre, local primary schools, early learning centres, and only a 15-minute drive to central Bendigo.
