Step into this enchanting tropical retreat, where charm meets functionality and every corner whispers of elegance! Prepare to be captivated by the masterful architecture and delightful features of this once-extended property. A true gem that demands to be experienced. As you enter, be greeted by soaring raked ceilings adorned with rustic timber beams sourced from a Tobacco farm near Mareeba. The heart of the home, a meticulously designed kitchen with a breakfast bar, seamlessly flows into the main living area and out onto the decking, creating an ideal space for everyday living and entertaining. A convenient butler's pantry, discreetly tucked away behind sliding doors, complements the kitchen, equipped with a fridge drawer, two under-bench ovens, and a gas stove. The main living area exudes a sense of spaciousness, accentuated by the high ceilings, rustic beams, and cleverly placed mirrored alcoves, while multiple louvre bays invite in natural light and fresh air. A separate second lounge at the front of the property offers additional relaxation space, while beautiful timber floorboards, sourced from a Melbourne warehouse, infuse warmth throughout the home. Step outside onto the expansive timber deck, perfect for hosting gatherings both intimate and grand, seamlessly blending indoor and outdoor living. At the opposite end of the house, the generous master suite beckons, with access to a charming patio, ideal for enjoying morning coffees or evening sunsets. Complete with a walk-in robe and a unique wet ensuite, this retreat offers the ultimate in comfort and relaxation. The spacious main bathroom partnered with the generous 2nd and 3rd bedrooms echoes the styling of the ensuite, featuring a space-saving laundry. Outside, discover a low-maintenance sanctuary, with established tropical gardens providing privacy and tranquility. Relax by the quaint fish pond and feel the stresses of the day melt away. For added versatility, a bonus studio awaits at the rear, perfect for pursuing hobbies or providing additional storage.
