A sanctuary of luxury living, this remarkable four bedroom, two bathroom home presents the epitome of elegance, situated on 1828m² (approx.) in an exclusive, peaceful court. Embraced by nature this beautiful, inviting home instantly captivates with its seamless blend of space, style, and sophistication. With 9-foot ceilings, every corner of this residence exudes an elegant, urbane aesthetic that is bound to impress. Step into a world of comfort and class, where plantation shutters frame picturesque views and sandy tiled flooring grace every step. Stylish contemporary lighting choices enhance the ambience, with a relaxing lounge juxtaposed with an open concept kitchen, meals and living area. Flawlessly designed, the kitchen stands as a testament to culinary craftsmanship. Gorgeous flat panel black cabinetry harmonizes with a sleek black gloss splashback, while an expansive stone island counter beckons you to pull up a stool and share moments of joy beneath a brilliant contemporary linear pendant. The culinary journey continues with Electrolux induction, oven and built-in dishwasher and a walk-in pantry that ensures functionality blends effortlessly with aesthetics. The meals area – graced by picture windows overlooking the garden – creates an unforgettable dining experience. Outside, a covered alfresco flows to a decked terrace, a perfect vantage point for soaking in nature's beauty, with meandering gardens leading to a pizza oven area. As night falls, retire to generous bedrooms with pure wool carpets. The primary bedroom includes a walk-in robe and ensuite. There are built-in robes to remaining bedrooms, serviced by a refreshing main bathroom boasting a shower, bath, twin vanity, and separate toilet. Eco-friendly attributes include 6.6kW solar panels, a 4kW battery system, electric vehicle charger and two 10,000L (approx.) water tanks. Plus there's an integrated double garage, gated side access to a 9m x 6m two-bay shed, and an internal laundry. Indulge in the ultimate Macedon Ranges lifestyle in this unbeatable location close to Deep Creek Reserve and a short stroll to Romsey village shops and cafés, with excellent proximity to schools, wineries, Hanging Rock, and Mount Macedon.
