Type: House

Karen Botha

\$236,000

This is a well located, three bedroom family home with the bonus of an office area with a separate entrance. All bedrooms have built-ins and air conditioning. The kitchen is modern and well equipped and there is a wood heater for keeping the house comfortably warm. In the yard you will find a super long covered carport/entertaining area and great powered two-bay shed. A veranda at the front completes this ever-popular property. Property Code: 1513
