This popular design is nearing completion and is located on a generous 700m² block of land. With great street appeal, the home features 4 double bedrooms all with mirrored sliding built in robes whilst the master has an ensuite and a walk in robe. The living areas are expansive and include a formal lounge and a fully tiled family/meals area which adjoins the kitchen complete with stone benchtops, 900mm appliances and an impressive walk in pantry. The garage needs to be seen to be believed with room for 3 cars plus storage or a workshop. Complete with all floor coverings, drive, fences, gas heating and much more. Don't miss out on this wonderful opportunity.
